Background:

A one day awareness and capacity building programme on United Nations Sustainable Development Goals (SDGs) was organized by Association of Professional Social Workers and Development Practitioners (APSWDP) at Adarsh Senior Secondary School, Tohana, Fatehabad, Haryana ON 19th April 2019.

The main aim behind the awareness and capacity building programme was to introduce the concept of Sustainable Development Goals (SDGs) given by the United Nations. Sh. Mastan Singh Dhillon, Member, APSWDP was the key speaker for the event who introduced 17 SGDs among the 80 students ranging from 9th to 12th standard. It was projected that students must understand the concept and the rationale behind these goals and its importance in our day to day life.

Introduction to APSWDP:

Sh. Dhillon started the event with a brief introduction about the Association of Professional Social Workers and Development Practitioners (APSWDP), Chandigarh which is a registered not for profit association working in various social welfare domain across the country. Social issues like poverty, livelihood, health, education, water & sanitation, unemployment, disease control programme, urbanisation, youth issues of de-addiction and others have covered the whole gamut government, development agencies and academic institutions.

He also added that the association focuses on creating a country wide and global network of dedicated social work professionals and development practitioners from remote geographical rural areas, to discuss, debate and develop key framework on evidence & practice based interventions, methods and offers platform to youth leaders, scholars/researchers with striving passion to participate in bringing reformation through correctional measures in existing policies.

Sustainable Development Goals:

The event was official started with the brief introduction about the SDGs. Sh. Mastan Singh Dillon mentioned that in September 2015, the General Assembly adopted the 2030 Agenda for Sustainable Development that includes 17 Sustainable Development Goals (SDGs). Building on the principle of “leaving no one behind”, the new Agenda
emphasizes a holistic approach to achieving sustainable development for all and to transform our world. The main aims behind raising this awareness is to:

1. Raise awareness of the 2030 Agenda and the achievement of the SDGs for persons with disabilities;
2. Promote an active dialogue among stakeholders on the SDGs with a view to create a better world for persons with disabilities; and
3. Establish an ongoing live web resource on each SDG and disability.

Sh. Dhillon gave an introduction to all the 17 SDGs with a view to make all the students' well verse with the goals and factors associated with it.

GOAL 1: No Poverty
GOAL 2: Zero Hunger
GOAL 3: Good Health and Well-being

The One day awareness and capacity building programme on United Nations Sustainable Development Goals (SDGs) was ended with a vote of thanks to Sh. Vivek Trivedi, the founder of Association of Professional Social Workers and Development Practitioners (APSWDP) for his vision behind this event. He mentioned that the event
could not be made possible without the due support of Smt. Rekha Trivedi, Secretary General, APSWDP for her insight and vision to have this programme for school children.

While delivering his vote of thanks to the school authorities, he especially forwarded his heartfelt thanks to the Director of Adarsh Senior Secondary School Sh. Jaideep Kamboj for giving this opportunity to interact with the school children who are the future of this country. Moreover, he also forwarded his thanks to Sh. Bhajan Lal Kamboj (Chairman), Sh. Basti Ram, Smt. Santosh and all the members of the school for their support during the event.

The school authorities also congratulated Sh. Mastan Singh Dhillon and the entire team of APSWDP for providing this information on Sustainable Development Goals (SDGs) in order to make the children aware about this concept which is globally renowned. Also, he mentioned that the school authorities look forward for such kind of collaborative awareness and capacity building programmes for their children.
