BACKGROUND

In pursuit of celebrating the **75th Anniversary by igniting people’s debate: UN75**, the Secretary General Antonio Guterres has launched a global dialogue, which is perhaps the largest and furthest reaching global conversation ever on building the future we want.

Association of Professional Social Workers and Development Practitioners (APSWDP) is a professional association which has been conferred **Special Consultative Status** under the **United Nations Economic and Social Council** (ECOSOC) and has also been affiliated with the **United Nations Department of Global Communications** (DGC). On this occasion, APSWDP has conceived a dialogue in support of UN75 2020 AND Beyond, Shaping Our Future Together by organizing a Virtual Dialogue Series - II What Future We Want on theme **“Climate Crisis: Create Your Own Climate Story”** on **29th August 2020** (Saturday).

In a world of Volatility, Uncertainty, Complexity and Ambiguity (VUCA), we are passing through several human crisis ranging from climate crisis, health issues, digital divide, gender inequality, population burst, rising conflicts and violence, etc.; APSWDP has come forward to corroborate with the United Nation’s global initiative of encouraging people, especially youth and marginalised to put their heads together to define how enhanced international cooperation can help realize a better world by 2045, the UN’s 100th birthday.

The aim of this virtual dialogue is to sensitize the communities from different walks of life. The view and ideas presented in this virtual dialogue will be submitted to the offices of the United Nations Economic and Social Council as well as to United Nations Department of Global Communications for incorporating the ideas discussed into their next agenda.

KEY OBJECTIVES

The key objectives of the UN75 Virtual Dialogue is to develop a continuous support for leading a discussion, identifying alternatives and implementing the solutions by involving unheard voices of youth and marginalized communities for creating a sustainable, inclusive and peaceful world.

With this dialogue, APSWDP aims to ignite vibrancy in thoughts and creating synergy among youth across tough geographical remote locations, languages, ethnicity, culture, economic background, etc.

APSWDP UN75 DIALOGUE

APSWDP in support of the UN75 objectives and Sustainable Development Goals (SDG’s) has identified a wide range of Development Practitioners as Key Panelists to initiate discussions, gather diverse perspectives and creative ideas on issues such as the climate crisis, inequality, new forms of conflict and violence, and the rapid changes in demography and digital technologies.
Aligned to the goals of APSWDP UN75 Series programs, APSWDP is commemorating a Virtual Dialogue, Series II on Climate Crisis: Create Your Own Climate Story. The sole objective is to address the emerging risks and collectively navigate the gap, if these mega-trends continue.

The **UN75 Dialogue, Series II** will be **inaugurated and chaired** by Mr. Aditya Pundir, Country Manager, The Climate Reality Project India. We feel privileged to witness the deliberations from our **Special Guest, Mrs. Geethanjali M.
