BACKGROUND & INTRODUCTION

Association of Professional Social Workers and Development Practitioners (APSWDP) is a not for profit association comprising of various Social Workers and Development Practitioners from different walks of life. Very recently, our association has been conferred with Special Consultative Status under United Nations Economic and Social Council (UN-ECOSOC).

APSWDP has been prudent in providing capacity building and awareness on United Nations Sustainable Development Goals with an aim to generate mass awareness among the youth of this country. Primarily, our association has been meticulously working on **Goal 13 - Climate Action** which also touches upon few of the crucial aspect of human existence, global warming as the result of human interventions and possible solutions to protect the mother earth from the hazards of climate change.

As we continue to strive for generating awareness on Climate Reality and our pursuit to protect our mother earth from the perils of Climate Change, Association of Professional Social Workers and Development Practitioners (APSWDP), Chandigarh conducted **awareness sessions on Climate Reality** in Tricity and adjoining states on **21st November 2019**, to mark 24 hours of Climate Reality which is celebrated globally under the ambit of Climate Reality Project. The presentation was made by Climate Reality Leaders who took the training under the mentorship of the Nobel Laureate Mr. Al Gore, founder of the Climate Reality Project in 2015. Dr. Sumit Arora, Mr. Navneet Trivedi, Mr. Karamveer Singh, Mr. Youdhvir singh made their presentations at various locations on this day. The presentations highlighted various issues related to the climate change, impacts and available solutions.

Mr. Rekha Trivedi, Secretary General APSWDP mentioned that it is imperative to take such kind of awareness sessions for bringing change in society at large. 400+ participants from Amity Global Business School, Chandigarh, Dikshant International School, Zirakpur, National Institute of Technical Teachers Training & Research (NITTTR), Chandigarh, Rajiv Gandhi National Institute of Youth Development (RGNIYD), Chandigarh, Signicent Information Solutions LLP, Mohali and Government Girls College, Madlauda, Panipat. The events were convened by Mr. Hitesh Kumar Gulati and Mr. Amit Joshi with guidance, enlightenment and support from Mr. Aditya Pundir, Country Manager, The Climate Reality Project India.
